

### Environmental Education/Winter and Spring Camps and any other events that pop up!

We are looking to start an Environmental Education program in the future. We are looking to offer a program for our campers this year. If you or anyone you know is interested in helping please let

### BCAC's 30<sup>th</sup> Reunion

Talk has started; the 30<sup>th</sup> reunion is just around the corner. The 2007 staff has talked about many ideas of what to do to make the 30<sup>th</sup> reunion a success and bring new and old together. Discussion has included a 30<sup>th</sup> banner which would include a staff photo and staff shirt from every year, a history lesson, and story sharing. We would love any input that you have, what you would like to see, or do for the 30<sup>th</sup>. Don't forget to make it down the 30<sup>th</sup> Reunion is quickly approaching in the summer of 2010!!!

### UPDATES

In the newsletter is an update card, if you could please take a moment to fill out the card and send back. If you know of someone who has moved if you could please have them email Karly "Skippy" Beaven at [kbeaven@kyanags.org](mailto:kbeaven@kyanags.org) for us to update our records. Also we are asking if anyone is willing to be placed on a list to help out any either camp with troops or other groups that are coming through.
