Words from Amy

It's hard to believe another summer has come and gone. I am always in constant amazement each summer at the time, dedication, and excitement our staff members put into their positions with us. Both camps provide such a wonderful outlet and community for our campers and thanks will never be enough for all the efforts you put into your positions whether you were on staff this summer or in all our summers past we thank you for helping to carry on our traditions and for helping us to help girls grow strong each and every summer! We look forward to another wonderful year, we are working on lots of new and exciting things this year so be sure to watch your email or the facebook pages for updates! Thanks again and Happy Camping!

Camp Pennyroyal

Pennyroyal had another wonderful summer. We shook things up with lots of new units that the girls really enjoyed. Pamper Me Pennyroyal, Adventure Land, Pennyroyal Princess, Twilight Zone, Owl Prowl, and Trips and Treasures. We had eight internationals this year from Scotland, England, Finland, New Zealand, Thailand, and Mexico.

For the summer of 2009 there will be a couple changes. Pockets will remain the site manager for Pennyroyal but will no longer act as the Camp Director as well. If you or anyone you know is interested in the position, please contact Amy Rehs or Debbie Scanish at the council office (888.771.5170). For the time being this will be a seasonal position.

Always Thinking Ahead Summer 2009

We are at it again! Thinking about the summer of 2009!!! If you or anyone you know would like to work at camp this coming summer, it is never too early to apply. <http://www.kygirlscoutcamps.org/>, or email arehs@kyanags.org

Bear Creek Aquatic Camp

Another successful summer comes to a close at Bear Creek. We had a terrific staff that worked very hard all summer. We had a lot going on at camp this summer. We added day camp, which was a success with the troop that came. We also got two new boats, Optimist that we tested this summer. We had four internationals this year coming from England, New Zealand, Australia, and Korea.
